

Teifi Tuition

Teifi Tuition prepares children in the three core subjects of Mathematics, Science and English Language. We teach throughout the key stages from KS2 (Yr 4 to Yr 6), through KS3 (Yr 7 to Yr 9) up to KS4 and GCSE (Yr10 and Yr11). We offer small teaching classes of similar age and ability with an emphasis on individual attention and dynamic teaching.

The main tutor, Gwenda Jones BSc (Hons), PGCE is a graduate teacher with over 25 years teaching experience specifically preparing pupils in the three core subjects from KS2 to GCSE level.

Gwenda has developed an excellent, progressive teaching system using her own course materials, a wide range of workbooks and mock exam practice papers. The students are thoroughly tutored and prepared, usually to a much higher level than specified, to ensure they have the greatest opportunity to succeed in their examinations and therefore their future.

Whether you want extra tuition for your child because they are preparing for GCSE exams, because your child is struggling with their schoolwork and needs a little extra help or because they lack confidence in some areas, Teifi Tuition can help.

Classes are currently held on Saturdays, with plans to expand to Mondays after school.
